Subject: Volume 1 edits - FYI

Hi everyone:

Just FYI, I read the entire Volume 1 today and made edits for typos, some format, a few wording changes/additions, and some minor corrections to results in all six sections. I sent a copy to Jose for incorporation with other updates.

If you want to see what I changed, let me know and I'll send you my tracked change version – but it won't include updates to the front material that we discussed earlier.

I mostly wanted to let you know this was done. I probably missed a few things, but it needed this kind of read-through before sending out for peer review.

Best wishes,
Kent
